2. Negative PCR COVID-19 test for all visitors 15 years and older
3. Visitors Insurance
4. Download the Aruba Health App
5. Important CDC requirement
6. Arrival Procedure

1. Embarkation/disembarkation card:

All visitors will be required to complete the online embarkation/disembarkation card process and be approved to be permitted to entry to Aruba.

Embarkation/disembarkation card should be filled out on: www.edcardaruba.aw

Make sure to fill out all components of the Aruba ED Card!

2. Negative COVID-19 test:

PCR testing at Aruba airport is available however this will mean visitors need to stay in quarantine until test results are received. Typically, between 6 to 8 hours.

Guests can do a molecular test prior to travelling for information on accepted tests go to:

www.aruba.com/us/traveler-health-requirements

3. Visitors Insurance:

This is a mandatory insurance and ensures that all visitors are properly insured and protected against incurred medical and non-medical expenses if testing positive for COVID-19 during their stay in Aruba.

4. Download Aruba Health App

While travelling and visiting Aruba you want to be well informed. For that reason, Aruba's Department of Public Health (DVG) has created an official health app.

Download the official Aruba Health App before you travel to One Happy Island.

Available: Google Play - App Store - Web App

5. Important CDC requirement:

Effective January 26, 2021 the Centers for Disease Control and Prevention (CDC), announced that the U.S. government will require all international airline passengers to show proof of a negative PCR or Antigen, COVID-19 test before boarding flights to the United States. The test results must be from no more than 72 hours prior to departure.

To make your stay on the island hassle-free, The Hilton Resort, Aruba is offering on-site testing for their guests.

Please go to www.medicare.aw/hilton and enter the following password: **palmtree** to book your own appointment.

Please note that each individual will need their own appointment.
